MASLIN BEACH COMMUNITY ASSOCIATION

# Petition: Stop the rezoning of Gulf Parade open space

Print this page and sign the petition on the right. Then drop this sheet into the **letterbox at the front door of the Maslin Beach Community Hall** by **7 December 2026**. State Parliament only accepts signed paper petitions, so an emailed or scanned copy can't be counted.

MASLIN BEACH COMMUNITY ASSOCIATION

## Save our open space

Help protect the Gulf Parade open space at Maslin Beach — we'd love your support.

### WHAT'S HAPPENING

A developer called AusOcean wants to rezone **14 hectares of open space** – the old quarry lands at Lots 53, 54 and 100 Gulf Parade – for eco-tourism cabins and an ocean conservation visitor and research facility.

Our community has opposed development at this site before. The formal rezoning process is expected soon — and your voice will form part of our response to the Minister.

### Have your say in 2 minutes

1. **Sign the petition on the right** — there's room for two people in your household.
2. **Drop this sheet into the letterbox** at the front door of the Maslin Beach Community Hall by **7 December 2026**.

**State Parliament only accepts signed paper petitions — your handwritten signature counts.**

PETITION

## Stop the rezoning of Gulf Parade open space

We, the undersigned, are concerned citizens who urge our leaders to take action to stop the proposed rezoning of the old quarry lands at **Lots 53, 54 and 100 Gulf Parade, Maslin Beach**, which would progress plans for eco-tourism cabins and an ocean conservation visitor and research facility.*
