Vowels

Multiple vowel letters together only make one vowel sound

a - a - father

eo - aw - saw

o - o - hot

e - eh - dare

ae - eh - dare (effectively the same as e=eh in modern Korean)

eu - schwa sound - lemon (neutral vowel)

i - ee - see

ee - ee - see (exact same as i=ee)

u - oo - book (no diphthong, like a British oo)

yeo - yo - yatch

Consonants when different from English

kk - strong unvoiced g (tongue to top of mouth and build air pressure)

t - between t and d

s - between s and sh

b - between p and b

r - between r and l (like a lazy r sound)
