*Refer: <https://ponyclubaustralia.com.au/about-us/resources/> PCA Horse Welfare, Horse Medication and Heat Polices.*

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

- a. Horses and Riders must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
- b. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
- c. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
- d. PCA urges all involved with the sport to attain the highest levels of education in their areas of expertise.

## **7. DANGEROUS RIDING/ABUSE OF HORSE**

Any act or series of actions which, in the opinion of the Technical Delegate, can clearly be identified **as dangerous or an abuse**, shall be penalised by elimination.
