TFNC has an exciting future and there is an opportunity for your business to join with us and be a part of something that will make a lasting contribution to our club and community.

TFNC had another successful season in 2025 with all netball sides and our thirds & fourths footballers making finals. Our B Grade netballers made it through to the grand final coming runners up. 2026 looks to be an exciting year with the return of past players and the introduction of some new blood. TFNC will continue creating a stronger more viable community and family based club.

Your sponsorship helps us to provide our players & coaches with access to better equipment, education & leadership opportunities, which assists in their development, participation & progression in all football & netball teams.
