Hey,

My name is Laura Scheiwe, I've been doing some participation work with Meg Pullinger and Linda Bayfield at QC.

We are excited to announce the commencement of a new program in Toowoomba, the Women's Social Smash. It will be designed for women 14+ and will be good fun for those new to cricket - no equipment needed (softball + bats provided). It will be a 4 week program beginning in approximately 3 weeks and will be facilitated by QC. Depending on how many teams register (teams of 6), we are hoping to run 3-4 games simultaneously on the one field. No pitches required, just a field and lights.

We are looking for a club to host this project and believe it will help boost your female participants immensely. It is important that our women's numbers continue to flourish in the DDSWQ region and believe this will be a great step in the right direction. We are looking to run this program on a Thursday night. It will be a great community event with opportunities for children to attend as well keeping a full club atmosphere.

If this is of interest to you, we will need to know by Wednesday 5pm so we can begin to finalise bookings, staffing, etc.

I look forward to hearing from you.

Cheers,
Laura Scheiwe
