- September 22nd & 29th Sept
- January 19th January

What is the Junior Blasters program?

Junior Blasters is for kids new to cricket with participants building their skills through fun, game-based activities. The activities are designed for small groups to ensure every child gets a go, allowing them to test and learn new skills in a supportive, non-competitive environment. The active, inclusive program allows kids to make friends, develop social skills and team work. It's about fun, fitness and being a good sport!

As a Junior Blaster participants will learn how to catch, throw, bat and bowl while developing their game sense in fun interactive activities. It's specially designed for kids new to cricket. When they have mastered the basics they will be ready to graduate to our Juniors Program where they can play modified games of cricket.

Junior Blasters is a fun and fast program, completed in a maximum of 60 minutes. All equipment is supplied and each participant receives a participant pack so kids can practice their skills during the program and at home with family and friends.

How do I register my child for the Junior Blasters cricket program?

Register by clicking the PlayCricket button below.

Parents must register online, and payment is required at this time.

[LPCC Blasters Registration Link](#)

How much is the program?

The cost is \$76.00 which covers the Cricket Australia fees & the Cricket Victoria Insurance component.

The cost includes 10 Cricket Blast sessions and your choice of three equipment packs.

Additional Cricket Blast merchandise can be purchased through the [Blast store](#).

Can I still register mid-way through the season?

Generally, you can register (if available) and go to the next available session. However, this is subject to resources and available places.

Please [contact us](#) before attending sessions to ensure there are enough sessions left to provide value for your child's cricket development.

I've registered for the wrong program/club, what do I do?

If you have enrolled in the incorrect program, please contact the Woolworths Cricket Blast Helpdesk via email at cricketblast@cricket.com.au or call 1800 CRICKET (1800 274 25 38).

At club level, we are unable to swap participants between programs.

Can parents get involved in the program?

The Junior Blaster program is designed for parents to get involved and spend some quality time with their child learning the skills of cricket. Parents involvement is a huge determinant of participant enjoyment, skill progression and achievement. The 'Blast Crew' has been developed to provide clarity and options for parents and volunteers to get involved.

When parents/guardians fill out the participant registration form online, they have the option to select whether they are willing to assist on-field or off-field, and we actively encourage this. You can also contact us directly to express your interest in assisting with the program.

NOTE: This season we will be looking for more parental support with on field drills, set up and the famous LPCC BBQ!

How old does my child have to be to participate?

The program is for girls and boys aged between 5 - 9 years old.

What ability is the program aimed at?

Junior Blasters is aimed at boys and girls aged 5-9 and of all abilities. Absolutely no prior experience with cricket is necessary. Junior Blasters is Australian cricket's entry level participation program. It is designed to teach children the basics of the game in a fun, safe environment.

How safe is the program and are participants insured?

The weekly lesson plans for the Junior Blasters cricket program have been carefully written by Cricket Australia and the program is supported by the Australian Sports Commission.

Our program is run by a Cricket Australia Level 1 Accredited coach and once a participant's parent/guardian signs a registration form, participants are insured.

If you have a medical and/or a physical condition that may require you needing assistance during the program, make sure you tell us on the form when you register. This way, we know who you are and can ensure our staff are there to help you if you need it.

What if my participant is too old for the Junior Blasters program or I want to move onto playing junior cricket?

We have an excellent junior program and offer Under 11 Rookies team for kids just starting out in junior cricket. Details about our junior program can be found on the [Junior Pages](#) of our website.

What do I wear to Junior Blasters cricket?

Children should wear comfortable clothing suitable for sporting activity. Your child will receive a Blast shirt in their equipment pack.

Additional Cricket Blast merchandise can be purchased through the [Blast store](#). Remember to be Sun Smart!

Do I need to bring anything else?

Just a full, named drink bottle.

Where do I go for more information on Junior Blasters?

For more information on the Woolworths Cricket Blast program [click here](#).

We want to participate, what do I do next?

Register your child using the PlayHQ button at the top of this page. The club will be in contact once we have the program details and participants finalised.
