SECTION 1

Statewide Conditions of Play

Introduction

Section 1 are Statewide Conditions of Play that apply to all Pennant competitions in Victoria.

Sections 2, 3 and 4 are Metropolitan Pennant competition Conditions of Play.

The Conditions of Play are reviewed annually by Bowls Victoria (BV), with input and feedback from the Officiating and Laws Committee.

BV reserves the right to amend the Conditions of Play from season to season, or as required.

Victorian Pennant competitions are conducted in accordance with the:

- Laws of the Sport of Bowls, Crystal Mark 4th Edition, (including domestic regulations for Australia), April 2023 (revised May 2023).
- Bowls Australia (BA) Policies; and
- BV Constitution, Regulations, and Policies.

No laws governing a sport can cope with every situation, and the Laws governing the sport of bowls are no exception. The Laws of the Sport of Bowls have been drawn up in the spirit of true sportsmanship. So, if a situation arises that is not covered by the Laws or these Conditions of Play, players and officials must use their common sense and a spirit of fair play to decide the appropriate course of action.

The infringement of any of the Laws, BA Domestic Regulations, BA Policies, BV Constitution, BV Regulations, BV Policies or BV Conditions of Play, may involve a monetary fine (not exceeding \$1,000) and/or disqualification, and/or game points penalty, and/or a replay or such other penalty as determined by the BV Disciplinary Committee, Region Disciplinary Committee, or nominated committee responsible for pennant in respect of an affiliated player/club.

1 SECTION 1

1.1 Structure of Competition

- 1.1.1 Clubs may enter a side or sides in the eligible Region and Metropolitan Pennant Competitions.
- 1.1.2 Sides will be assigned a division and/or section within each competition. The placement of sides will depend on the promotion and relegation provisions applicable from the previous season, unless otherwise determined by BV or the relevant Region Pennant Committee.
- 1.1.3 A club's sides shall be numbered in descending order of grading, in each individual competition. This will determine eligibility for finals, including where clubs have multiple sides in a section or division.
- 1.1.4 A new side entry in a pennant competition will be placed in a division as determined by BV or the relevant Region Pennant Committee. This may result in a side, or sides being relegated as necessary to accommodate the new side.

1.2 Insufficient Players to Enter a Side

- 1.2.1 Clubs may seek approval from BV or the Region Pennant Committee to enter a combined side.
- 1.2.2 One of the clubs must be nominated to enter sides and scores in BowlsLink, as provided for in Section 1, Clause 27.
- 1.2.3 If a combined side is approved, the players are permitted to wear their respective club uniform and cap. If bowls discs (adhesive labels) are used, all members of the combined side must use discs that are of the same colour and design.

1.3 Penalty for a Side Withdrawal after the Competition Draw is Published

- 1.3.1 Clubs will incur a financial penalty of up to \$600 for a 16-a-side and 12-a-side, and up to \$300 for a 6-a-side and 7-a-side if a side is withdrawn after the draw is published.
- 1.3.2 BV or the relevant Region Pennant Committee will determine the size of the fine within the amounts listed in Section 1, Clause 1.3.1 above.
- 1.3.3 The side withdrawn will be deemed to have finished in last position in the section and may be relegated to the next lower division at the end of the season.

1.4 Eligibility of Players

All players competing in any Victorian Pennant Competition must be member of a BV affiliated Club, registered on their Club BowlsLink data base as a full financial member and competition bowler prior to the commencement of the game. A breach of this requirement will result in forfeiture of the game under Law 39.2.1.

Note: Any participant in an organised event[^] at club level and above must be a registered financial member of a BV Member club and recorded on the BowlsLink database as having playing rights.

[^] *Organised club events include all regular competitions regardless of the value of the prize or prestige associated with the event. For the avoidance of doubt, this includes social competitions such as Thursday morning triples where the prize might be a frozen chook or a small amount of money, but does not include barefoot bowls or Christmas parties which are understood to serve as an important format to attract new members and a vital income stream for clubs.*

1.5 Pennant Permit

- 1.5.1 A Club may register up to three (3) players as pennant permit players per competition who may be used in any division/side for both Midweek and Weekend Pennant.
- 1.5.2 A player cannot permit to the same club to play in both Midweek and Weekend competitions.
- 1.5.3 A player can be approved to play in a Midweek or Weekend Pennant competition for a member club other than their nominated club by submitting a Pennant Permit request form to BV 7 days prior to round 1 of the pennant competition they wish to play in. No application will be considered after round 1. This application must be endorsed by both the permit club and the primary club.
- 1.5.4 In order to qualify for finals at a player's Permit Club, they must play a minimum of 1.5 times the number of games required by a player who is playing for their Primary Club, rounded up to the nearest whole number. i.e. If finals qualification is a minimum of 3 matches, then the permit player must play a minimum of 5 matches to qualify. If finals qualification is a minimum of 4 matches, then the permit player must play a minimum of 6 matches to qualify.
Link to Pennant Permit form: https://bit.ly/BV2026-27_PennantPermit
- 1.5.5 If approved by BV, a permit remains in place until 30 June of the following year.
- 1.5.6 If a player on permit receives a club-based suspension or higher, they are no longer eligible to play pennant for their primary club or the club they are permitting to.
- 1.5.7 A player may apply for a clearance from their nominated club while a permit is in place. The permit will become null and void if the new Primary Club does not endorse the permit.
- 1.5.8 A player may apply for a permit for a maximum of one Weekend Pennant competition and one Midweek Pennant competition, noting Clause 1.5.2.
- 1.5.9 If the primary club and permit clubs' Midweek or Weekend competition rounds are scheduled on different days, a permit player is available to play in both competitions. This is applicable for both Weekend and Midweek competitions.
- 1.5.10 In Region or State Pennant Finals, players must represent the club where they play the majority of their games, if both clubs have qualified. If the number of games played at each club are identical, then the player must play for their Primary Club.
- 1.5.11 BV reserves the right to approve a variation to permits under limited circumstances. These must be applied for, in writing, to BV.

- 1.6.6 Interstate players must submit a BA Interstate Pennant Permit Declaration Form through their state body. An Interstate clearance is not required.

- 1.6.7 An international player is defined as a player, that prior to playing in a metropolitan or Region pennant competition, has held no prior affiliation with a State Body within Australia, but has held affiliation with an overseas body and represented that body in an open national side in the last 2 years (from round 1 of Pennant season).
- 1.6.8 In addition to Clause 1.6.7, an international marquee player is any player who does not permanently reside in Victoria (or a BV affiliated town) and shall be classified as a marquee player at the discretion of BV. Clubs are encouraged to seek approval from BV before designating their marquee players.
- 1.6.9 International players may be nominated at any stage during the season but remain part of the 3-marquee player limit. Names of an international player or players must be submitted to BV and the relevant region via email prior to the player playing.
- 1.6.10 In order to qualify for finals, a marquee player must play a minimum of 1.5 times the number of games required by a player who is playing for their Primary Club, rounded up to the nearest whole number. i.e. If finals qualification in that competition is a minimum of 3 matches, then the marquee player must play a minimum of 5 matches to qualify.

- 1.6.13 A promotional permit player must fit within the 3-player marquee limit.
- 1.6.14 A promotional permit player must not already be playing on a pennant permit or as an interstate marquee for that season in that competition (e.g. a player on a weekend permit is not eligible for a promotional permit for Weekend Pennant in that competition).
- 1.6.15 An eligible player can play on multiple promotional permits throughout the season.
- 1.6.16 The application form must be completed, and approved by BV, 14 days prior to the promotional permit player representing the club.

1.8 Controlling Body on Day of Play

- 1.8.1 Except for finals, the host club shall nominate a person to be the controlling Body for matters arising on the day of play. This person must not be the umpire or side manager of the day.
- 1.8.2 For finals, BV or the relevant Region Pennant Committee is the controlling body on the day of play.

1.9 Side Manager on Day of Play

- 1.9.1 Wherever under a law, regulation, policy or the BV Conditions of Play, a side is given a right of decision or choice, it will be exercised by the side manager who will act on behalf of the side.

1.12 Incomplete Team at Commencement of a Game

- 1.12.1 If, 30 minutes after the scheduled start time for a game, one player is absent from one or more teams in a side and no eligible or affiliated member is available and approved to act as substitute, the game must continue in accordance with the provisions of DR 2.6.

- 1.21.5 If the allocated rinks for the game are in use for another pennant competition prior to the start of the game, an equivalent number of rinks must be made available on that green or greens, of a similar surface if available, at the club.
