Dear Ms Volkmar,

On behalf of the Cairns & District Chinese Association Inc. (CADCAI), I extend our sincere thanks for your outstanding contribution and for your generous donation in funding the publication of *Honour & Enterprise*.

Your dedication to preserving and presenting an accurate, evidence-based account of the Hap Wah enterprise and Andrew Leon's role in Queensland's early history is deeply appreciated. This publication represents a lasting gift to the community, and future generations.

We welcome your suggestion that the booklet be made available through the retail section of the Cairns Chinese Culture and Heritage Centre.

Yours sincerely,

**Nathan Lee Long**
