

20 23

ANNUAL REPORT Yinnar Football Netball Club

01

Executive Report

The year 2023 kicked off early in the year with great numbers both on track and courts in early February. We saw some old faces in our coaching line up, but also some new ones, all with fresh ideas and a drive to develop and win throughout the season.

The season kicked off in late April and didn't stop, with lots of wins and a few losses across the board it has proven to be a very successful 2023. For our junior football, 2023 marked the first year competing in the Traralgon and District Football League as we made the tough decisions to move away from the Central Gippsland League. Here, we fielded four very strong football sides with Under 9s, Under 11s, Under 13s and Under 15s.

Paul Wallin coached the U9s and made the season all about having fun and participating. Whilst it is not a competitive age group the kids performed comparatively well and finished the season feeling like there was a measure of success. Sam McCulloch coached the U11s and in their debut season in the TDJFL made the finals after finishing fourth on the ladder. Congratulations to Harvey Brighton who finished fourth in U11 league Best and Fairest. They finished the season with a feeling of unfinished business after bowing out to the Police Boys and are hungry for 2024! Tim Mills coached the U13s with strong support from Jake and Luke. Whilst they didn't make finals they had a fantastic year with some great wins. Ross Kelly coached the U15s for 2023 and they had a great season finishing fourth on the ladder and making the finals. Congratulations also to Jay Rogalsky after finishing second in the league Best and Fairest. With the move to the TDJFL in 2023 and the success we had we look forward to what 2024 will bring! In 2024 we aim to grow our player numbers and the culture of having fun, supporting each other and having success on the field!

Executive Report

For our Mid Gippsland football sides it was down to the wire with our Seniors missing out on finals in the last 30 seconds of their final home and away game. Our reserves had a cracking year making it to the big dance but unfortunately left without a cup. The Under 18s football side was a strong one, with a number of our Under 15 boys playing up to fill the side, let's just say the future of our football is looking bright with so many talented kids coming up the ranks. Making it to the big dance and walking away with a premiership cup was the perfect end to the season for these boys.

This year our junior netballers moved from the Moe Netball Association Competition across to the indoor Morwell Netball Association competition. Here we fielded two Under 9s teams, two Under 11s teams and one Under 13s side. The numbers across our junior sides are astonishing and it shows great promise for the future of our club with so many star netballers in the making. Whilst the competition in Morwell wasn't quite as strong as we initially thought, our netballers showed up and had a killer of a season with our Under 11s side as coached by Claire Mills took away the premiership cup for season 2023. Our Mid Gippsland League better watch out as these girls come through the ranks and further develop their skills, they are sure to be a threat to the competition.

In 2023 we saw the introduction of Under 13s in our Mid Gippsland Netball, this meant there were lots of early starts for these girls, their parents and all volunteers and umpires who allow these girls to take the court each week. From our little ones in Under 13s to our A Grade side, it sure was a successful year for our Netball. Our juniors sides all played finals but unfortunately didn't make it to the grand final. For our senior girls, D Grade through to A Grade were there on the 16th of September 2023 in their dresses ready to take on their opposition in one of the biggest days for the club which ended in great success.

01

Executive Report

Yinnar walked away with 3 out of 4 premierships cups in 2023, with A Grade, B Grade and D Grade winning, and we could not be prouder of all coaches, players and supporters for making it happen. Special mention to our B Grade side who finally broke the B Grade premierships drought.

All the hard work across the home and away season and the months of planning and work that go into getting the club up and running prior to the season kick off has paid off for our club and as an executive we are so grateful for those around us who make this club what it is.

As a final note from the executive team we would like to thank all life members, members past and present, volunteers, committee members, the past players, current players and their families as well as the Yinnar community for all the blood, sweat and tears that go into our club to make it great. Our club is volunteer ran and the smallest of helping hands does not go unnoticed, no matter your contribution to this club, big or small it all combines to ensure our community has a place they can come and be a part of and it is something we are proud of year in year out. Special mention to the Yinnar Recreation Reserve Committee, this group of people ensure we have the facility to play the sports we love and maintain it to the highest of standards and without them we wouldn't have a place to call the home of the Pies.

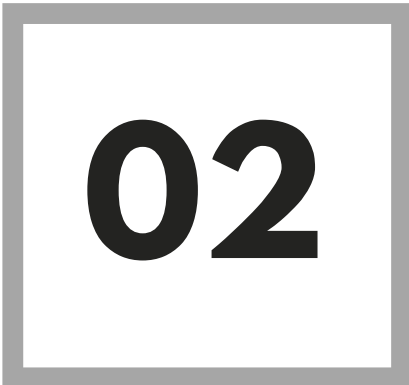

As we close on yet another successful year, we begin planning for the next season and the executive team hope to see you all in 2024 for what we are sure will be another cracking year for the Magpies.

Cheers,

Dean Suares, James Mills & the executive team at YFNC.

2023 LIFE MEMBERS

In addition to recognising outstanding off field contribution, Club policy is that players who achieve on field service of 200 senior/reserve football (adopted 1993) or senior netball matches (adopted 1996) are eligible to be nominated for Life Membership.

There were two life members inducted into the Yinnar Football Netball Club in 2023 they were:

NAOMI KEARNS

MICHAEL KEARNS

2023 ROSS SEWELL BEST CLUB PERSON

The Yinnar Football Netball Club awards the Ross Sewell Best Club Person Award on an annual basis. This award is the highest honor of the club and is voted on by the current members of the club.

The Ross Sewell Best Club Person for 2023 was awarded to James Mills for his ongoing and outstanding contributions to the club as president and outside of his duties as president for the work he does in and outside of the playing season.

JAMES MILLS

SIGNIFICANT ACHIEVEMENTS

04

There are many indicators that potentially define the success of a Club. Some suggest that premierships are the only measure; however, the YFNC Committee believes that in addition to premierships there are a number of others that provide an indication of Club health. Significant achievements and events outside of premierships for season 2023 included:

MID GIPPSLAND LEAGUE AWARDS

MGFNL C Grade Best and Fairest: Mia Cheffers

MGFNL Under 15 Best and Fairest: Grace Schill

MGFNL Under 17 Best and Fairest: Mia Cheffers

The Club acknowledges and appreciates the outstanding support provided by Dean & Dan at Young Signs in delivering our sponsors signage needs – all exceptionally professionally and with the promptest service possible.

Final Thank-you

Yinnar Football Netball Club is extremely fortunate and grateful to have the support of our loyal sponsors. Without their continued support we cannot exist, so please wherever possible support these businesses that support us! To our sponsors, thank you, we are very appreciative and look forward to working with you again next season!

Once again, our heartfelt thanks must go to our amazing volunteers, life members, members, committee, past players and the Yinnar Recreation Reserve committee who we would simply be lost without. To our dedicated players and your families, we also thank you and look forward to seeing everyone back in the black and white for season 2024!
