

EXPRESSION OF INTEREST – TEAM MANAGER

Every team requires a Team Manager. Team Managers are valued members of our club. No experience is necessary. If you are interested in being a Team Manager, please complete an EOI and send it to the Club President and Junior Volunteer Coordinator via email – fassifernjrlfc.president@gmail.com and fjrlfc.volunteercoordinator@gmail.com by 30 November.

There are requirements and responsibilities associated with being a manager, which include but are not limited to:

- **Attendance at training sessions and games.** We understand that there may be the occasional game / training session that you can't attend, however, attendance at nearly all games and training is required.
- **Good communication** – ability to communicate effectively with coaches, players, other volunteers, and parents. Cascade information to parents from the Club Committee.
- **Collaboration** – ability to work collaboratively with other volunteers and teams.
- **Lead by example** – ensure your behaviour is aligned to Bombers / QRL code of conduct.
- **Highly organised** – Organise team lists and initiatives such as 3,2,1's for games. Ensure the team has a League safe and duty official for every game. Ensure parents from your team are allocated to and aware of volunteering responsibilities at home games. Organise team logistics for gala events and NRL games. Organise team Christmas parties and trophy nominations.
- **Working with children / blue card** – this is free to apply as a club volunteer.
- **Commitment** to the role for the entire 2026 season (Dec 25 to Nov 26).

PERSONAL INFORMATION

Your Name:	
Email:	
Mobile:	
Your current NRL ID (if known):	
Current Accreditation (training that has been completed previously):
