## Western Australia's Premier Nudist Club

Remember how much fun it was?

Remember lemonade and summer? The sprinkler came on, the hose finished filling the backyard pool, or you pulled up at the secluded beach. Off came all your clothes and your worries. Your bare body felt the kiss of the air, the sun and the water. What pure innocent joy!

By visiting us at Sunseekers you can recapture that feeling again and again as you enjoy life clothes free. Even if you just enjoy nudism at home with friends or family, why not visit Sunseekers for a day to experience the enjoyment of being clothes free and carefree.

Nudists come from all walks of life. Their common bond is enjoyment of recreational and social activities, free from the restriction of clothes and the worries of everyday life.

The Club provides both security and seclusion in a beautiful natural setting with all the necessary comfort to meet with friends or have a family break. And, to enable you to enjoy our exclusive resort on a more permanent basis, after three visits couples and families are encouraged to apply for membership. (Singles are subject to a quota.)
