9.4. Mosh Nudity Survey Results Review

Results of survey: The more often someone comes to event, the less likely they want full nudity & want underwear covering. Same if they are on the mosh mats more often. 103 responses. 80 were current members.

Comment themes are: Concerns of hygiene, uncomfortable around naked males, consent concerns, if there were separate mosh mats, OK if it was a separate event, freedom of expression.

On the mats, our regular attendees who mosh regularly, would like topless but underwear covering genital and anus.

Off the mats, over 60% ok with full nudity.

Before COVID we did have private nude mosh at room above Doghouse. It's no available anymore. We can find free venues. Most venues charge. We have list of 60 venues provided by FETCH but the one the size we need we would have to charge \$10-15 per head.

Puppy Pound at Steamworks could satisfy this need.

Cuff's policy: We need their stance

Wild Rose's policy: They want coverings.

Proposal: Use combo of Squarespace & Ticket Tailor.

Square Space \$376 or \$476 (20% off first year by 4/27 - \$221 or \$269)

Suggest using Tidy HQ for rest of year and phase over or use the free plan which allows backend management of memberships & tickets. Did we actually switch over to annual plan? Don't see monthly charges.

One thing we still need to find is being able to sell tickets at different prices for members and non-members.
