Minutes

1. **Pride Parade recap**

Approximately 125 attendees. Sound system provided by Mad Dog was a success.

Incident where an attendee ignored the wheel monitors and had their foot ran over by the trailer. Unsure how to prevent in the future as multiple stories (and the injured) vouched that the monitors attempted to stop them.

Mad Dog brought up keeping people from grabbing their things from the trailer. Suggested next year to tell people to not grab things from the trailer, use wheel monitors to hand out water when trailer is at a stop.

Utilize microphone next year to do pre-parade announcements.

Reserve trailer for an extra day so that volunteers don't have to rush to return it.

2. **September**

Walkies will be the suicide march and/or corn maze.

LEEP

3. **Movie night**

Tye is confirming movie selection with theater tomorrow.

4. **Best in Show**

Unicorn could be a possible host - Domino will ask if they're available November 11. Domino suggests leaning into Unicorn's circus theme for Best in Show.
