

2026

SPONSORSHIP PROSPECTUS

The Hinterland Football Club has a long and storied history as one of the first four AFL Clubs established on the Sunshine Coast in 1970. Formerly known as Nambour and Hinterland AFC, we have members from under 6's all the way through to our senior men's and women's teams.

Our Palmwoods based, community club welcomes all players and promotes a safe and fun environment for the whole community. Come and enjoy family friendly fun for everyone. We support Palmwoods, the Hinterland and the local Sunshine Coast community.

We have supported Junior and Senior teams, with many successes both at a team and individual level, on and off the field.

Junior teams play in the SEQ Juniors Competition, with teams from AusKick to under 16's for both boys and girls.

Our men's team have had periods of great success and their fair share of turmoil. In 2023, our Senior Men were elevated to Division 1 after a successful build over a four-year period including taking out the QFA Div 2 North Premiership in 2022. Our Senior Men have worked hard to make the finals in 2023, 2024 and 2025; a great achievement for a Club in it's infancy in a higher division.

This success has been largely to a dedicated President and committee to bring the club into a financial position that the Club has not seen for years, and in 2026 we welcome our new Senior Men's Coach, Jordan Daniel, who is committed to recruiting players who are not only great with their on-field craft, but a good culture fit for our "family" club.

In 2024, we introduced our Friday night team in the QFA Division 4 Competition. Our Thirds team bought with it an exciting opportunity to bring in new (and returning) players to the Club.

Our Women's team plays in the QFAW Div 2 North competition. Our women's team has been through many structural changes over it's six year existence and we look forward to continuing to develop a pathway from juniors to senior women's football.

WE BLEED BLUE

FACILITIES AND STRATEGIC PLAN

Our small club has had it's fair share of adversity, particularly when it comes to extreme weather and other "disaster" events. In 2022 alone, our ground was flooded some six times in the period of a season. The pandemic had a significant effect on our Club. However, we are a club but more importantly we are a family and an extension of our local community who rallied around the Blues and meant we have come back even stronger than ever.

In 2022, our new \$1.46m Clubhouse was opened by Minister for Sport, Stirling Hinchliffe. The new facilities include, perhaps most importantly, female friendly changerooms. This project was funded by the Queensland Government's COVID Works for Queensland program, Sunshine Coast Regional Council, AFL Queensland, Cricket Queensland and the Blues.

In 2023, we received a brand new lighting system to bring our facility to the next level. The new lighting will have three settings, with the lowest being an average of 100 lux across the ground.

In 2024, we were hopeful that we would be able to obtain a grant to erect new coaches boxes after they were demolished in the 2022 rebuild, however, we have not been successful in obtaining funding to date.

Despite this, we still face challenges around access to our ground during the offseason. This is our greatest threat to both junior and senior footy in Palmwoods, and a battle that we still face after almost two years of discussion with Council. In 2025/6, we have been able to negotiate an agreement with the Palmwoods Cricket Club which sees our senior teams being able to access our home ground for pre-season training.

Whilst our Club is sitting in a strong financial position, as always we are seeking the support from our local community to ensure that our great club continues to build.

Thank you for taking the time to consider supporting our Club.

Club President
