Round 5 BFNL Review

SENIORS

The Senior side tasted defeat for the first time this year in what was a 48 point loss against South Bendigo. After an even first half we were unable to match it with the opposition for the remainder of the game.

Best Players were N.Stagg, L.Ireland, J.Howard, H.McNamara, C.Connick & F.Greene

This week's shout out goes to our volunteers who assist with the Timekeeping duties - John Davidson for the Seniors, Greg Fitzpatrick for the Reserves and various people for the 3rds - Appreciate it greatly.

We have a week off now to recover and set ourselves for a huge test against Strathfieldsaye on the 31st May.

BFNL Review

A GRADE

A Grade were looking to bounce back after last week and that we did. Things we wanted to improve on and our game structures we on point. South made us earn it that's for sure keeping a tight contest for the first half of the game. Our strong defence and great attacking plays meant we were able to pull away and finish the game strong. Great team effort to get this one over the line.

A RESERVE

A Reserve was going to be a tough game with South sitting on top and us without a couple of players.

We started the game well looking to be in for a great contest. A few errors kept in at the end of the first quarter that gave South a small lead. Unfortunately we were not able to get momentum back with it being one of those games not much went right. To our girls credit, we never gave up. We know what this needs to look like next time we play and know we can come out on top.

Great games by Diana and Lila.

BFNL Review

17 & UNDER

15 & UNDER

South Bendigo are a very skilled team, so we knew we would have to hit the ground running. The girls had a great start, applying lots of pressure to create turnovers and moving the ball quickly to shift the defence. The girls were rewarded with their efforts and secured the win. Can't wait to keep improving together and see where our netball takes us. Grill'd & Yo-G awards to Alicia C and Alana B.

B RESERVE

B res had another tough task this week against a top three South side.

We started slow, being down by five goals and fought back to be down by one at quarter time.

The day was getting warmer but we kept the fight up playing some exceptional netball.

Our defensive end kept the South attack to a minimum, and our attack end moved the ball well to convert our turnovers.

We found ourselves down again by 5 heading into the final quarter and fought back to lose by one after South scored in the final play of the game.

Overall, we are happy with the loss as it was a game that showed we have plenty of positive aspects to our team, we just need to make tweaks to work on the 1% efforts.

Great job girls.

Best went to Tahli Maxted for absolutely dominating in the Goal Shooter role and second to Abbey Howard for getting her hands to everything and being the main cog in transition out of defence.

B GRADE

Girls had a much better start to the game this week which was a positive and something that we've been working on. Unfortunately, South got a couple of turnovers which had us on the back foot throughout the first quarter. Girls worked extremely hard in the second and third quarters although South was just too strong on the day. Credit to our defensive end that created a lot of turnovers and played as a great defensive unit, some really positive signs of things to come. Onwards and upwards from here.

RESERVES

Looking to bounce back after their first loss the week before the Reserves put in a brave performance against the ladder leading South. The 22 players battled hard throughout the game and never gave in. They were right in the contest all game, battling hard to get a score on the board and finally got some reward for effort winning the last quarter 3 goals to 1. A big welcome to Nicholas Hall who played his 1st game for the Dragons.

Best Players were W.Long, G.Hay, H.White, D.Whatley, H.Sims & P.O'Farrell

The boys will now freshen up with a week's break before another tough assignment with Strathfieldsaye.

UNDER 18'S

It was a tough game for our lads on Saturday, ending in a hard-fought loss to South Bendigo. From the opening bounce, South Bendigo were more desperate, setting the tone early with their pressure and willingness to win the contest. Our boys showed patches of strong football and continued to compete right to the final siren. There were plenty of learnings for our young group going forward. Moments of hesitation and missed opportunities proved costly, but they also highlighted exactly where we need to grow. As Millsy and Freezer mentioned after the game, the challenge now is to regroup at training, reset our focus, work with honest feedback and continue the progress. Effort and intent were there — now it's about execution and maintaining belief.

Up forward, our goal kickers were Tom Smith and Zane MacDonald, both capitalising on limited opportunities. Tom in particular worked tirelessly all day, earning his place as the best player. He was joined by Nick Harvey, Nick Long, Lach McKay, Raff Brasier and Miller Armstrong, all of whom stood up strongly in difficult moments and kept us competitive.

While the result didn't fall our way, the experience will serve us well. With commitment and improvement, we'll bounce back stronger.

CVFL Review

SENIOR WOMEN

This week our Senior Women were at home on the QEO on Sunday against Bendigo Thunder. Despite most of the team having attended the ball the night before they got off to a great start kicking 7 goals 4 in the first. The team put together another good quarter of footy and held a 72-point lead at halftime. The second half saw the pace of the game start to slow as energy levels started to dwindle. We were able to add a further 6 goals but this could've been more considering we kicked 9 points in the last. A great effort from some tired and weary players recording an 120-point win.

Final Score: Sandhurst 17 18 120 to Bendigo Thunder 0 0 0

Goal Kickers: Grace Campbell 4, Ava Franklin, Taylah Klemm, Sarah Baldwin 3, Chloe Taylor 2, Sophie Manson, Phoebe Cuttriss 1

Best Players: Sophie Manson, Grace Campbell, Ava Franklin, Taylah Klemm, Sarah Baldwin & Katrina Alford

We also had a very special volunteer Sebastian who joined us on the bench for this game as Liam's assistant. Sebastian was an asset to the team getting involved in the warm up, recording goal kickers, giving advice to the players, holding the board at the breaks, offering lollies, giving the team a rev up, joining in on the song and also helping select and announce the award winners. We loved having you Sebastian and hope to see you again.

CVFL Review

UNDER 18'S

Round 7 saw the U18 girls up against Strathfieldsaye who were coming off strong performances the previous few weeks. The QEO was in fantastic condition despite the rain and the Storm girls quickly adapted to the conditions better, jumping out to a 5 goals to 1 quarter time lead. Our first quarter was highlighted by a spectacular running goal to Etta Place who scooped on a loose ball on the forward flank, broke through congested play and kicked a goal from inside 50. The goal was punctuated by a cartwheel celebration in front of the small but hardy Sandhurst supporters. Our dragon girls fought hard through the remaining quarters, battling with limited numbers on the ground but went down to a classier Storm outfit 101 to 7.

Best players were Chloe Tweed, Rose Moefaau, Macey Pinner, Etta Place (1 Goal) & Addison Magro
