Our Objectives

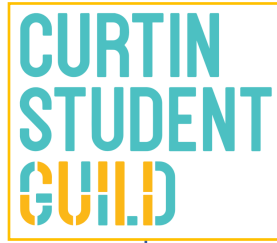

Providing a professional environment for students in geosciences backgrounds (Geophysics, Geology, Petroleum Engineering, Energy, Mining, etc.).

Our club's main objectives are to create a professional space for students with geoscience backgrounds to foster their professional skills, development, networking and engagement with professional societies and the industry. To interact with local and international professional societies such as:

- ASEG: Australian Society of Exploration Geophysicists
- SEG: Society of Exploration Geophysicists
- EAGE: European Association of Geoscientists and Engineers
- PESA: Petroleum Exploration Society of Australia

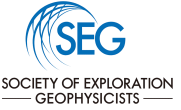

Membership is free for all.
