3. ALLOWANCE FOR UNAVALABLE AGE GROUPS

Where Kingaroy Rugby League Football Club, Juniors & Seniors Incorporated is unable to field a team in a player's eligible age group, the player may be permitted to play with another recognised rugby league club within the South Burnett region for that season in order to continue their participation in the game.

To remain eligible for the Junior Lifetime Player Award:

- Kingaroy must have been unable to field a team in the player's relevant age group; and
- The player must remain registered with Kingaroy Rugby League Football Club, Juniors and Seniors Incorporated as their primary/main club for the relevant season.
- A formal permit must be granted to allow the player to participate with the other South Burnett club.

- The player must continue to participate in an organised rugby league competition for the duration of the season.
- The player's participation with the other club must be recorded and verifiable through MySideline records and/or communication with relevant club personnel.
- Playing with another club under an approved permit in these circumstances will not be considered a break in participation for the purposes of the Junior Lifetime Player Award.
