- 1.6 The Board may prescribe and/or amend any fees from time to time.
- 1.7 Where special circumstances exist to these rules, any player/club may apply for consideration, in writing, to the Board.

Consistent with the Guidelines for Transgender and Gender Diverse People in Basketball as developed by Basketball Victoria, for all Community Basketball

competitions (i.e. non representative competitions) an individual can participate in the competition which best reflects their gender identity. This is in accordance with the Sex Discrimination Act 1984 (Cth), which makes it unlawful to discriminate against a person on the basis of sexual orientation, gender identity and intersex status, except as outlined in 5.1

5.1 Affiliated Associations should permit players to participate in community basketball competitions in accordance with their gender identity, whether or not this accords with the sex they were assigned at birth, subject to the following:

5.1.1 The player should nominate their Gender Identity at the time of registration with the Affiliated Association for the upcoming competition.

5.1.4 Commonwealth and State discrimination law allows discrimination (except for under 12s) where the strength, stamina and physique are issues. This needs to be assessed on a case by case basis, erring on the side of the transgender person.

5.1.5 In the event a player is affirming their gender (transition) through the course of the Community Basketball competition, the Affiliated Association shall give consideration to that player's gender affirmation and, in discussion with that player, consider the individual needs of any transition or affirmation.

This is in accordance with the Sex Discrimination Act 1984 (Cth), which makes it unlawful to discriminate against a person on the basis of sexual orientation, Gender Identity and intersex status, except as outlined in 5.1.4. Clubs and associations should have in place well-established and consistently applied practices of grading and the selection of players to:

- 3.4 It is the responsibility of each player to maintain a level of health and fitness conducive to participation in the different grades of basketball competition. Where the EMBA has reasons for doubt as to the fitness and health of participating persons, the player can be required to present medical evidence that supports his continued participation. Where such evidence has been required, players become ineligible until they produce satisfactory evidence.
- 3.5 In the event that a player is injured and requires an Ambulance, such player will be responsible for payment of any Ambulance fees.
- 3.6 Where monies are owed to the EMBA by the applicant or persons represented by the applicant, the applicant shall not be considered until all monies are paid in full.

*JUNIOR PLAYERS*

- 3.9 a) Junior players must be registered and playing in local competition before receiving the support of the Association to participate in any pathway operations including but not limited to junior representative selection, BV/BVC Skills days, BV/BVC State Selections, BV/ BVC High performance activities and other such activities.

The application must be made in writing to the EMBA requesting approval to compete at this level of play prior to that competition commencing. The player will be able to play above his age group only with approval from the EMBA. No player will be authorised to play up in an older age group if by the virtue of their playing in that older age group the club cannot then field a team in the players registered age group.
- 3.10 Junior players (must be u16 and above) must be registered and playing in the Junior Competition prior to being permitted to register with a team in the Senior Competition. In the event that the U16 and U18 competition is combined, an U18 athlete may apply for an exemption to allow them to play in the Senior Competition only. Juniors must be 16 years of age to play Senior Competition. Exemptions also apply for Under 18 Boys or Girls (Representative team) that play in the A Grade Competition for players that turn 16 in that Representative year.
- 3.11 No junior player shall be permitted to play in more than one team in their age group. A player can, however, play in a higher age group within the same competition. For example, an Under 12 player can register and play Under 14 as an additional game. An additional fee is applied to cover the additional cost as listed above. The parents of the player accept the responsibility of their child playing in an older age group. This will be determined by the EMBA (dependent on numbers in each group). Each case is assessed individually and dependent on the number of registrations of each age group.
- 3.12 Players with disabilities may apply to the EMBA to commence in a lower grade. Unless that player is dominating the court, this decision will be maintained for that season in order not to disadvantage the team should that player improve and move into the correct age group.
- 3.13 Please note that junior teams may change in the first three weeks of competition to ensure the teams are of equal skill level to ensure a competitive and fair season is ensured.
- 3.14 Junior domestic basketball focusses on skill development, enjoyment and 'fun'. All coaches are required to maintain the inclusive culture of the Association, ensuring all athletes have equal court time during the season, including all finals. All athletes should have the opportunity to be part of the 'starting five' for their team, regardless of their basketball skill level. See Domestic Coaching Policy for further information.

### *SENIOR PLAYERS*

- 3.15 No senior player shall be permitted to play with more than one team in the same competition (Competition refers to Winter or Summer Season)

EMBA has the right to refuse/accept players into a Senior Competition based on what the Association believes is fair for the competition.
- 3.17 In considering the application, the EMBA shall take into account the history of conduct of the applicant and or team.  
The EMBA may impose a "good conduct" bond as a condition of entry in situations where there are doubts based upon past history or performance.
- 3.18 Once a team has been entered into the current season, a player in that team may not play in a lower grade that season without prior approval from the EMBA. Players may be added to "A" grade teams at any time however if players are added to a lower grade team that team may be regraded at the discretion of the EMBA. Players may request to 'fill in' for a team prior to that game. Requests MUST be made through the EMBA.
- 3.19 Senior teams will be entered as requested by the playing group. If previous history recognises that teams have graded themselves too high or low, the EMBA can contact and discuss the grading with the designated team contact, refer 2.11.
- 3.20 A player may play in a higher grade only to make the required numbers needed to stop a forfeit from occurring. If a player plays three games in a higher grade, they will no longer be eligible to play in the lower grade they commenced the competition in.
- 3.21 It is the responsibility of the team to make sure all players are true and correct on the playhq scoring system prior to the game. Any player playing under a false name will be excluded from being eligible from playing in finals.

Senior Supervisor and Referee Supervisor will be in charge of any discrepancies.

### *FILL INS*

#### Juniors – Under 12 & 14

- The coaches may nominate one of their team members to play with the opposing team to make the game more even. Player ability and team fairness must be considered when nominating a player. As the junior competition is for development, teams that have 'fill in' players will not be required to record the score as a forfeit. Therefore, no junior teams will record a forfeit (after grading) unless there are not enough players to fill both sides.
- If both teams have insufficient numbers to play with an opposing team, a player from another team may fill in from a lower age group/division. All fill ins MUST be approved by EMBA.

#### Under 16 and above

- If teams do not have enough players to field a team – minimum 4 players, players from a lower division/age group may fill in to make up 5 players per side. All fill ins MUST be approved by EMBA.

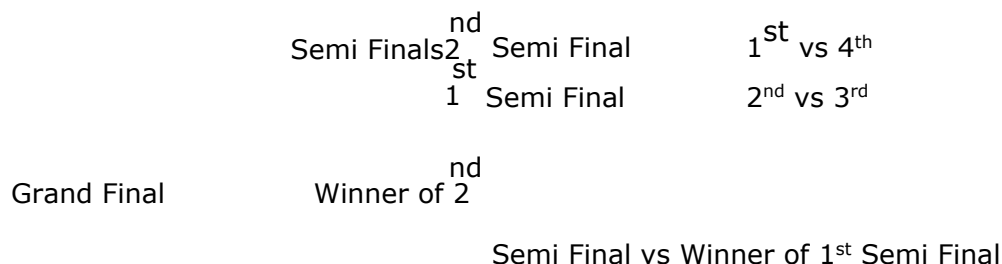

## Seniors

- Senior teams may play an unregistered player to "Fill in" to enable the game to proceed. The 'Fill In' player is to make a maximum of 5 players and the fill in must not be used to enable a substitute. Once the fill in has played 2 games in ANY senior team he must be registered and pay the fee prior to his 3<sup>rd</sup> game to be eligible to play. This is within the competition, not the team. If you are registered with a team you MAY NOT fill in for any other team in your division.

- 4.3 All finals matches will be played at the discretion of the EMBA. - d) Under 12 and 14 competitions are restricted to playing by the "no zone" policy (or man to man defence) rules developed by Basketball Victoria.

The responsibility for determining whether or not a zone is being played will be determined by the match referee who may be assisted by a member of the EMBA who is or has been determined as suitably understanding the no zone policy and as to what in fact is determined as a zone defense.

### **MAN TO MAN DEFENCE RULE**

- Each defensive player must guard a player of the offensive team – they must know who they are guarding and be accountable for them e.g. know your opponent's number.
