

Minutes

Rivervale Community Network meeting held on:

Thursday 22nd February 2018 from: 6:00pm - 8:00pm

Attendees: Alan, Felicity, Helen, Sandy, Vikki. *Apologies: Ian, King.*

Current projects

1. Planter Boxes

Email from Nelson, CoB with news of approval for planter boxes to be installed on Kooyong Road.

Watering and maintenance responsibilities to be shared with business owners on Kooyong Road shopping precinct. Further discussion on how this would work on a permanent basis. City of Belmont may need to provide access to watering point? Or, perhaps CoB watering truck could assist?

RCN contacts: Vikki and Sandy.

2. Mural

It was agreed that a mural would be desirable as the next priority to enhance the look and feel of Kooyong Road shopping precinct.

Action: locate an artist with previous experience in creating murals. (Sandy)

3. Jupp Lane Event

Planning to commence now for an expanded Jupp Lane event in 2018 to include food trucks, stalls for other clubs and associations, live music.

Suggestions: WA Youth Jazz orchestra, Belmont SHS band, Islamic College, maybe include Festival Fringe events and more.

Action: Contact WA Lapidary and Rockhunting Club, Men's Shed to invite them to have a stall/display at Jupp Lane event. (Vikki)

Action: Contact Nelson, CoB and Cassie Rowe's office for ways to help expand this event for 2018 and beyond. (Helen)

4. Pop-up Skate Park

Ian is investigating this possibility with the support of RCN.

5. Little Free Libraries

Investigate how we might create a project to build and install a number of little free library boxes in Rivervale. Refer City of Vincent Facebook page to see their set up. Gardening Australia has also featured a design.

Suggestion: Organise a cycle day to view all the little free libraries.

Next meeting: Thursday 29 March 2018 – to be confirmed.
