Presidents Report AGM 2025  
Presented by Beau Laughton (President)

## 2025 Summary

Firstly, I would like to thank everyone for their support through out the season. Stepping into the role of President was a new experience for me, and I am truly grateful for the help, patience and advise I received from the committee and members. I would especially like to acknowledge our past President, Daniel Flavel, who stood into the role of Vice President when Jason left town, he came kicking and screaming but his support made all the difference.

Although I am disappointed that we were only able to hold one meeting this year, I am very pleased with the turnout and what we achieved as a club. This show showed the strength of our club and the commitment of our community. We were unable to hold the Speedweek meeting with no fault of our own, the LSA where unable to get the drivers and cancelled the meeting. Putting all our money into one main event for the year was the best decision moving forward for the club with low car numbers in town and people not travelling as much.

Next Season there is some work to do on sealing some new sponsors and hold more meetings. There is a bit of work to do at the club, including the wall that was damaged in the Ash Page. We are in a good financial position but will need to secure some sponsorship for next year's events.

Thank you once again to everyone who contributed to an y way – all our sponsors, big or small are greatly appreciated.
