Newsletter

Last Friday's Celebratory Morning Tea was a great success despite trying times.

27 people signed up memberships on the day making this a great start for the Men's Shed.

The Steering Committee would like to thank:

- Mayor George Gear for his kind words and of course his Council's support.
- Councillors Karen Wheatland, Katie Mair and June Barton for attending with their immeasurable help and support.
- State MLA, Kim Giddens for her driving of community support for the Men's Shed.
- Trevor Taylor and Jaxon Ashley representing Men's Sheds WA support.
- And those unable to be present for work commitments and covid reasons, Ben Morton for his Federal Support
Cathy Day for her hard work in driving City of Melville support.

And last but far from least, those people whose membership will drive this Shed into the future.

First Melville Men's Shed alliance project:

Coming out of discussions on Friday, our steering Committee has made an initial agreement with Piney Lakes Garden Centre for access to Piney Lakes Garden Centre for members of the Melville Men's Shed. More details of this will be included in your next Newsletter. In the meantime, please express to the committee your interest in this and especially if you would like to take on the role of Project Leader.

Transitioning from Steering Committee to Management Committee

As the work of the Steering Committee is now coming to fruition, it is time members start to consider establishment of a permanent Committee of Management as required under incorporation rules. Melville Men's Shed inc. has about 12 months from now, in which to hold an AGM and elect its Committee of Management.

The Steering Committee is not elected and only has jurisdiction prior to the initial AGM. Please consider nominating for position on your Committee of Management.

PO Box 315, Bull Creek, 6149

Nomination forms and AGM arrangements will be announced later and probably about the time occupation of the premises occurs.

The steering Committee Chair Paul Robbshaw and Secretary Rob Willis have both had to withdraw from the Steering Committee due to changed employment commitments. We thank them for their outstanding commitment to establishing this Men's Shed and look forward to seeing them as future members.

Eric Hartley and Robert Craig have stepped up to fill the void and we welcome them onboard.

Future Meetings - Suggestions for a Venue are welcomed

We are planning to hold meetings every first and third Friday of the month from 9:00am to midday. Beginning July 23. - Venue to be advised later.

The Steering Committee is proposing three project teams for these meetings, whose purposes are:

- Team - 1. Prepare for negotiating terms for the lease of the shed from the City of Melville.
Matters of building access & security, maintenance, and time to time refurbishments for projects, etc.
 - Best suits members with legal knowledge or interests.
- Team - 2. Surveying Members wishes and establishing which functional project areas this Men's shed will participate in. Includes design of survey form.
 - Best suits members with strategic planning skills or interests
- Team - 3. Planning equipment supply / purchase and designing floor layout for equipment installation.
 - Best suits members with workshop experience or supervisory skills.

There will be some overlap between teams.

Please email admin@melvilleshed.org.au your interest in participating or leading one of these teams.

Although the above are planned; members wishing to create any different project(s) will be encouraged to do so.

Newsletter Scribe

It is now time for the appointment of a "Shed Scribe" to manage newsletters, facebook the website and any other media opportunity.

Please email admin@melvilleshed.org.au your interest in participating as Shed Scribe.

Membership

A membership form is attached for those people who were unable to attend last Friday but would still like to be members.

Best regards

Gavin Waugh - Acting Chair – Steering Committee
