

Respect - Integrity - Belonging - Teamwork - Resilience

PRESIDENTS UPDATE

As part of our vision of becoming the Club of Choice, we're committed to investing in our people beyond simply developing better footballers. This month marked another important step in that journey as we rolled out a number of initiatives focused on player wellbeing, mental health and resilience.

We partnered with Evoxia to deliver our first Concussion Information Session for players and parents. Concussion is an unfortunate reality of contact sport and, as our understanding continues to grow, it's important we all play an active role in education, awareness and supporting the safe management of our players.

A large group of our Senior players too part in the Tackle Your Feelings program, while this week we commenced our Ahead of the Game sessions across our Youth program. These sessions are designed to build resilience, improve mental health literacy and support overall wellbeing.

Providing these opportunities free of charge reflects the kind of Club we aspire to be. We believe our responsibility extends beyond developing better footballers. We want to help develop confident, resilient people who are better equipped both on and off the field.

Continuing the theme of our people, congratulations to Nigel Frame, our Vikings Volunteer of the Month for June, who was recognised by his fellow peers for his outstanding contribution to the Club. Nigel oversees our Ground Maintenance team, works closely with our Under 17 program and is the sort of volunteer you'll often find behind the BBQ or simply lending a hand wherever it's needed. His willingness to quietly contribute across so many areas is a wonderful example of what makes the Vikings community so special. Nigel received a \$200 award thanks to our Community Partner, Community Bank Wynnnum-Manly. You can read more about Nigel and his contribution later in this edition of Vikings Voice.

I also want to congratulate Amy Gray, whose dedication to the Vikings continues to be recognised well beyond our Club. Amy was recently named the AFL Queensland Volunteer of the Year and is now in the running for the national honour. While many members know Amy through her role as Female Coordinator, her contribution reaches far beyond that title. Amy gives countless hours supporting our Age Coordinators, Team Managers and coaches, while also contributing across football operations, events, committee responsibilities and many of the day-to-day jobs that simply need doing. Congratulations Amy. This recognition is incredibly well deserved and the entire Vikings community is right behind you.

With only a few weeks remaining in the home and away season, I encourage every team to continue embracing the challenge ahead. Whether finals are still within reach or not, every training session and every game is another opportunity to improve, support your teammates and represent the Vikings with pride.

To those teams who will soon commence preparing for finals, know that the entire Vikings community is behind you. The opportunity to compete for a premiership is one that should never be taken for granted. Work hard, enjoy the journey and make the most of every moment.

As we look ahead, there are still plenty of opportunities to support the Club, including our 80s Night on 8 August, the Telstra Good for Footy Raffle and our Tangalooma Raffle. Every ticket purchased and every event supported helps us continue investing back into our players, volunteers and facilities.

Finally, thank you to every player, parent, volunteer, coach, sponsor and supporter who continues to make the Vikings such a special place.

As we continue celebrating our 60th year, it's rewarding to see our long-term vision becoming reality.

Whether it's investing in our facilities, supporting our volunteers or creating opportunities that help our people thrive, we're continuing to build a Club that future generations of Vikings will be proud to call home.

VIKING VOLUNTEER OF THE MONTH

Congratulations to Nigel, our June Volunteer of the Month, proudly supported by Community Bank Wynnum-Manly.

As part of the award, Nigel receives a \$200 prize, generously provided by Community Bank Wynnum-Manly, recognising the incredible volunteers who help make the Wynnum Vikings such a special community club.

A Viking for the past seven years, Nigel has become one of the familiar faces that helps keep our club running behind the scenes. As our Facilities Manager, he leads our dedicated grounds volunteer team, helps support our U17 Boys and can often be found behind the BBQ with the tongs in hand, helping bring our Vikings community together.

His fellow Vikings repeatedly recognised Nigel for the way he brings people together and quietly goes about making our club a better place. Through his nominations, Nigel was particularly acknowledged for consistently demonstrating our values of Belonging and Teamwork, while embodying all five of our club values of Belonging, Respect, Resilience, Integrity and Teamwork through his actions. Congratulations Nigel, and thank you for everything you do for our club.

What was your first reaction when you found out you were our May Volunteer of the Month?

"I was very surprised to get the award, but it was great to be presented by Glen and the team."

How long have you been part of the Vikings community and what first brought you to the Club?

"I've been at the club for about seven years since Josh was in Under 9s. We came to the club so Josh could play footy with his mates from school."

What motivates you to volunteer around the Club?

"I first started volunteering to cut the grass just so I could ride the mower, but I've always liked to help out and it brings back memories of my days playing and how Mum and Dad helped."

What do you enjoy most about volunteering?

"I really enjoy the peacefulness of cutting the grass and the way the ground looks after a fresh cut."

Is there another volunteer or group of volunteers you'd like to give a shout out to?

"I'd like to give a shout out to the rest of the team that helps out with keeping the ground in good condition and the lines all marked – Chris, Ky, Liam, Mason, Andy and Warren."

What makes the Vikings community special to you?

"All the friends we have made over the years at the club have been wonderful and we'll continue to build on those relationships."

What would you say to someone thinking about volunteering?

"Anyone thinking about volunteering will find it's a great way to meet new people and build long-lasting relationships that can last a lifetime."
