Re: Match Officials Payments for 2024

This Memo is to provide an update on the QRL South East Region's Match Officials payments for the 2024 season.

The QRL South East Region can today confirm an agreement has been reached to increase match officials' payments for the 2024 season. This comes after a lengthy consultation process with the newly established South East Region Referee Assembly and the regions Local League Boards.

All Match officials will see an increase of 5% to their payments in the 2024 season. The increases will assist in recruiting and retaining our regions match officials for 2024 and beyond.

The QRL South East Region established its Regional Referee Assembly in 2023 with representatives from the QRL South East council, the South East region's referee associations, along with independent members to ensure the South East regions match officials are appropriately represented on issues pertaining to them. This will continue to include any possible future payment increases, coaching and mentoring initiatives and regional alignment.

The QRL South East Council would like to thank the South East regions Referee Associations for their care and diligence to the entire game as the agreement was being discussed and finalised.

Yours Sincerely,

A handwritten signature in blue ink that reads "Scott Dunshea".
