

BHC P&C

Funding Request Term 3 2025

Purpose:

This proposal is student lead by Libby Todd and the Student Board. The staff identified are supporting the Student Board in their aims to raise money for the 2025 Telethon appeal.

The basis for this request is to obtain \$2,500 from the Bob Hawke College Parents and Citizens Association (P&C) as funding for a Christmas themed outdoor movie night for college families fundraising for Telethon. The event will be held from the 12 – 14 / 12/25 (pending school calendar) in the evening with families purchasing \$15 tickets to cover costs. All remaining money from ticket sales will be given to Telethon, along with other optional donations from parents through Compass. The event will promote community connections and relations between College families and students attending. Families can pack BYO dinners will be optional, accompanied by two food providers used before by the school during 'Languages Week' (gelato and pizza trucks).

If the funding cannot be donated directly to this initiative, the Student Board would refund the funding resource at the conclusion of the project.

In scope:

Funding will be used to hire a \$1,795 inflatable screen, sound/projector systems, and setup package.

The cost of the movie license fee will be a minimum guarantee of \$350 or 35% of ticket sales. The excess \$355 will be used to cover if the licence cost changes due to movie choice or usage approval and ticket sales.

Out of scope:

The funding will not support crowd control or the food trucks, if used they will be organised separately. Other possible costs include a popcorn machine that could be purchased by the P&C independently and then used at the event to fundraise for Telethon, and other not for profit events.

Alignment with Business Plan:

Priority 4: Connected Community

"Continue building positive, collaborative and mutually beneficial relationships with all stakeholders within our college and across the community."

Next steps:

If approved, the school will contact the Perth Outdoor Cinema Company to

secure a booking, finalize movie choice and licencing, and begin to contact possible sponsors of telethon to assist with funding.

Closer to the event taking place, advertisements via Compass and Facebook to students and families in the college community will start.

P&C Acknowledgement:

Newsletter articles and Facebook posts will advertise the event promoting the Student Board organisation and P&C funding to families in the community.

Student designed posters, compass posts, and communication through crews will assist the advertisement of the event stated as 'Bob Hawke College Student Board led, in association with the College's P&C'.

BHC P&C CNC Router

Funding Request Term 3 2025

Purpose:

The purpose of this request is to secure \$14 500 in funding from the Bob Hawke College (BHC) Parents & Citizens (P&C) Association. This will supplement the Technologies budget to purchase a Computer Numeric Controlled (CNC) router. This industry standard machine will allow our Technologies students access to crucial digital manufacturing capabilities that will open up an entirely new realm of innovative and contemporary design solutions, whilst making many of our courses accessible to a much wider range of students who haven't had the chance or abilities to develop advanced hand and machine skills. It will also alleviate the significant difficulties faced in Design Technologies with our laser cutter and 3D printers not coping with the requirements of currently enrolled students.

In scope:

The funding will be used (in addition to learning are funds) to purchase a ToughCut SAPPHIRE Educational Standard CNC Router from Beyond Tools in Malaga.

Out of scope:

Teacher training to safely use the equipment will be arranged via the school to meet requirements for the in-scope activities.

Next steps:

If approved, the equipment will be purchased in Term 3 2025. The expected life of this investment is 5 years.

Accommodation will be made through the College's replacement schedule to budget for the replacement of the equipment in 2030.

P&C Acknowledgement:

A newsletter article and a Facebook post will acknowledge the initial purchase of the equipment.

Ongoing projects produced by the router will be published in same, and will acknowledge the P&C contribution

Subject: Proposal for P&C Funding – Language Resources for Italian and Japanese

Dear John,

I would like to propose an allocation of P&C funds to support the purchase of essential resources for our Upper School Italian and Japanese language programs.

Since the school opened in 2020, our language offerings have expanded, as you are aware. With Italian already offered at Upper School level and Japanese joining the Upper School curriculum next year, it is timely to invest in reference materials to support these courses.

One key need is the provision of quality bilingual dictionaries. These are an essential resource for students in Upper School language programs, particularly for use in class and during assessments.

Funding Proposal:

- **Languages:** Italian and Japanese
- **Resources Required:** Bilingual dictionaries and supporting books
- **Quantity Needed:** 2 sets of 20 dictionaries per language (total of 80)
- **Estimated Cost:** \$80–\$100 per dictionary
- **Total Estimated Cost:** \$6,400–\$8,000

We propose that up to **\$7,000**, allocated by the P&C for departmental spending, be used to purchase these dictionaries. If any additional funds are needed beyond that amount, we can explore supplementary support or consider phased purchasing. Any remaining funds within the \$7,000 allocation could be directed towards other Upper School language resources, such as grammar references, textbooks, or exam preparation materials.

Justification:

- These dictionaries are a vital tool for student success in WACE and classroom learning.
- They will be used year after year across multiple cohorts, making them a long-term investment.
- With Japanese now entering the Upper School and Italian already underway, it is timely to ensure equitable support for both programs.

Thank you for considering this proposal. Here below are the links to the dictionaries needed and prices:

I am happy to provide further details if needed upon request.

Kind regards,

BHC P&C Library Shelving x 2

Funding Request Term 3 2025

Purpose:

The purpose of requesting additional storage capacity is to house more physical books without adding to the current overcrowding of existing shelves, accommodating our expanding areas such as manga, graphic novels and catering for the curriculum and the individual. It will improve the categorising of the current collection, making it easier for the students to locate specific topics and genres (both fiction and non-fiction). More shelves will enable the library to offer adaptable layouts for the current collection enticing students to engage with our resources, contributing to a more functional and visually appealing space that will encourage browsing and longer visits.

In scope:

Hydestor 3 Bay Double Sided Rollaway Mobile Shelving Unit 1175mm H (+130mm castors) x 555mm W x 2771mm L Each bay of shelving to have: 3 x 250mm D x 900mm W Flat Library Shelf Sets (18 in total) 1 x 250mm D x 900mm W Rollaway Base Shelf (6 in total).

Alignment with Business Plan:

Our Business Plan reflects the national agreement for education, the Alice Springs (Mparntwe) Declaration 2019:

Education plays a vital role in promoting the intellectual, physical, social, emotional, moral, spiritual and aesthetic development and wellbeing of young Australians, and in ensuring the nation's ongoing economic prosperity and social cohesion. They need to deal with information abundance, and navigate questions of trust and authenticity. They need flexibility, resilience, creativity, and the ability and drive to keep on learning throughout their lives.

From Our Vision

TO BE 'EXTRAORDINARY TOGETHER' THROUGH A COMMITMENT TO BE OUR BEST AND TO BE COURAGEOUS, INNOVATIVE AND INCLUSIVE.

From Our Strategic Priorities:

Priority 1: Best Practice Teaching and Learning with an emphasis on:

- a whole-of College approach to teaching literacy and numeracy
- continuing to foster a College-wide reading culture for staff and students

Priority 3: Inclusive Culture

- recognise and celebrate being a culturally inclusive school and reflect our diversity as it relates to various cultural and linguistic groups
- ensure safe and equitable access to facilities and resources, including for students with mobility challenges and ability differences

Next steps:

If approved, the shelving will be purchased in Term 3, 2025.

P&C Acknowledgement:

Plaque on the Shelving, e.g. *"This shelving generously provided by the P & C supporting student learning and literacy, 2025"* on the end panel of the shelving.

Public acknowledgement in the College newsletter and on Facebook, with a photograph of P & C members and the shelving, e.g. *"We extend our thanks to the P & C for their generous support in helping us expand our library. This contribution directly enhances our ability to inspire reading and curiosity in our students."*

Funding Request Term 3 2025

Purpose:

The purpose of this request is to secure \$5,500.00 in funding from the Bob Hawke College Parents and Citizens (P&C) Association. The money is to support the presentation of students in academic sashes at the Year 12 Valedictory Ceremony of 2025.

Each year 12 BHC student will wear a Subiaco Red sash to over the top of their black academic gown at the Valedictory Ceremony. Students will be expected to keep the sash at the conclusion of the ceremony a gift from the College and as a token to remember their time.

In scope:

The funding will be used to purchase the respective Year 12 Valedictory Sashes that will be presented to the students. Each year 12 student will take the sash home with them as a memento of their time at the college and Valedictory.

This would be a recurring cost to provide each year 12 with a sash for their respective valedictories.

Out of scope:

Alignment with Business Plan:

Priority 3 – Community Connection

'We are committed to creating positive, collaborative and mutually beneficial relationships with all stakeholders within our College and across the community'.

- **Liaising with a locally sources supplier of academic sashes 'Regalia Craft' allows us to maintain a strong community connection with local businesses.**

Next steps:

If approved, the allocated funds will be used to cover the production costs of the BHC Valedictory sashes

Each year 12 student attending Valedictory will be allocated a sash to wear over the top of the academic gown.

P&C Acknowledgement:

The P&C will be acknowledged by College Captains at Valedictory for their financial support in the academic sashes.

Funding Request Term 3 2025

Purpose:

The purpose of this request is to secure \$1000.00 in funding from the Bob Hawke College Parents and Citizens (P&C) Association. The money is to support the recognition of student's achievements in line with the BHC values at the Year 12 Valedictory Ceremony of 2025.

Student recognition will be for demonstrating the following;

- Be Our Best
- Be Inclusive
- Be Courageous
- Be Innovative

It is yet to be decided whether the allocation of money will be for the following;

- 1 student recognised for exhibiting all values across their time at the college 'Extraordinary Together award (\$1000).
- 4 separate students are acknowledged (1 per category) and receive \$250 each.

In scope:

The money provided from the P&C is used to acknowledge student(s) who have consistently demonstrated the BHC values to a high standard and over a period of time.

This is a sustainable and repeated way to build culture with future year groups placing an emphasis on the demonstration of our core values.

Out of scope:

Staff deliberation and collection of evidence for recipients.

Alignment with Business Plan:

Our Values

'By being our best, we are committed to being the best version of ourselves.'

'By being courageous, we are committed to embracing challenges and learning from our experiences.'

'By being innovative, we are committed to ongoing improvement and to seek answers to big questions.'

'By being inclusive, we are committed to creating a culture where everyone in our community feels respected, connected and able to contribute, progress and succeed.'

&

Priority 2 – Inclusive Culture

'We will envision, develop, deliver and champion a positive, caring, inclusive and cohesive College culture, creating a sense of belonging and collective wellbeing.'

Next steps:

If approved, nomination process of student achievement to take place.

Deliberation by year 12 team on winners.

Cheque(s) to be made out from the P&C to winning recipient(s).

P&C Acknowledgement:

The P&C representative will be invited to the 2025 Valedictory as a VIP guest and present one of the value awards or the 'Extraordinary Together' award – dependant on decision around awards.
