

Principal Report

P&C Meeting

19 October 2022

1. COVID-19 Update

COVID-19 mandatory isolation requirements have now been removed effective from Friday 14 October 2022. We have been working closely with the Department of Health to determine what the changes mean for you and your child/children as we learn to live with COVID-19.

Anyone who is unwell is encouraged to take a RAT and stay home until symptoms resolve. Please contact your school if your child is absent due to illness.

People who test COVID-19 positive, are encouraged to stay home until symptoms resolve and register their positive RAT with Health. Anyone who is a close contact is encouraged to test daily for 5 days and only attend school following a negative RAT result. Mask wearing is also strongly encouraged during this time.

Students and staff can wear a mask at school if they choose.

Parents are asked to contact the College if they have any queries or would like to collect additional RATs.

2. Morning Tea

Thanks to the P&C Executive, the Inclusion Subcommittee and new parents for attending the morning tea on September 15 2022. We will look at ways of making the event more accessible going forward.

3. Stage II Progress
