

Hi Team,

Welcome to the 2026 season with Karratha Soccer Association! Whether you're new to refereeing or returning, we're excited to have you on board. Thank you for stepping up—your role is essential in ensuring our games run smoothly, fairly, and safely.

This season, we will be assigning games through Squadi, making the process simpler and more efficient for everyone.

What you need to do:

1) Register as a referee in PlayFootball

All referees must register through PlayFootball to be officially listed. Please use the link provided. [Football Australia](#)

2) Download the Squadi app

You'll need Squadi installed on your phone or device to receive match allocations and updates. The app is available on the App Store and Google Play. If you need help, please refer to the Squadi referee support page.

3) Working With Children Check (WWCC)

As referees are paid, all referees must hold a valid WWCC, regardless of age. Please complete this as soon as possible and email a copy to our secretary at kdjsa6714@gmail.com so it can be uploaded to your profile. You can apply through any Australia Post outlet. Additional support is available on the WWCC website. If you need assistance, I or any KSA committee member can help sign your form.

4) Join our referee group chat

To help us communicate quickly during the season, we've set up a WhatsApp group. Parents are welcome to join. Please use the link below:

<https://chat.whatsapp.com/C8LAFfQh4tC2ebKtCMJNKb>

5) Submit your payment details

To ensure you are paid on time, please send your payment details to kdjsa6714@gmail.com. Payments will be processed regularly based on confirmed match attendance.

6) Support and suggestions

If you're unsure about anything or have ideas on how we can improve, we would love to hear from you.

What we expect from our referees:

- Be on time, in full referee gear, and ready to go.
- Complete the new referee match card (an example will be provided). Place completed cards in the referee box in the KSA shed. For Wickham and Dampier games, please send a photo to the referee coordinator or post it in the WhatsApp group for uploading.
- Submit 3-2-1 votes for all scoring age groups (U9 and above).

- Communicate clearly and respectfully with players, coaches, and spectators.
- Discuss line throw-in rules with coaches before the game begins.
- Apply the rules fairly and do your best every match.
- Ask questions if you're unsure—we're here to support your development.
- Ensure games finish on time (reduce game time if necessary).
- Be reliable—if you cannot attend your assigned match, notify us as early as possible so we can arrange a replacement.
- Verify final scores with both teams at the end of each match. While team managers/coaches enter results into Squadi, referees must confirm the final score to avoid discrepancies.

Thank you again for being part of our referee team. Your contribution is valued, and we look forward to supporting you throughout the season.

If you have any questions, please don't hesitate to reach out.

Best regards,
Karratha Soccer Association Committee
