### Section #3 To be completed by the player

Ballina Basketball has worked exceptionally hard to build a female pathways program. We are currently the only club in the region (Coffs Harbour to the QLD border) offering both local and representative opportunities for girls and women of all ages.

Being part of this pathway comes with both opportunities and responsibilities.

Our Expectations

- Players selected in representative programs are expected to commit to all rep requirements where possible.
- We understand that conflicts arise and support players pursuing other sports.
- We value honesty about your availability and commitments.
- Most importantly: Players are expected to contribute to the pathway before benefiting from it.

To participate in the women's competition as a junior representative player, the minimum expectation is participation in the junior program. This strengthens the pathway from high school girls to junior league to women's **for all juniors**. You become the faster, stronger, taller player younger players need to practise against - just as you benefit - from playing against faster, stronger and taller players in women's comp.

**While the easiest way to contribute to the pathway is by playing, we understand this isn't always possible. Please select what you can do instead:**

**Coach (unpaid)** I am able to coach (circle all that apply) Mondays Miniball, Primary comps girls/boys or Tuesdays High School girls, U14 boys for one game each week

**Referee (unpaid)** I am able to referee (circle all that apply) Mondays Miniball, Primary comps girls/boys (must be green shirt) or Tuesdays High School girls, U14 (must be green shirt) for one game each week

**Aussie Hoops Assistant (unpaid)** I am willing to help supervise at Aussie Hoops Mondays 4-5pm

**Admin assistant (unpaid)** Mondays - helping at front desk/court set-up, pack-up  
Tuesdays - helping at front desk/court set-up, pack-up for an hour each week

**Canteen (unpaid) (circle all that apply)** Mondays Tuesdays time:

**I'm not willing to contribute this season.**

**Being part of the representative pathway includes giving back to the program. Your contribution supports the development of future female players.**
