CAMBA Playgroup

We love our multiples Playgroup!! As mums, dads and carers of multiples we do have our hands especially full. At Playgroup, we do our best to look after each other and every child – regardless of whose child it is because we all occasionally have our hands full with another of our children!

TIME

9.30-11.30am Tuesdays
Every week during term time and at the Playgroup Coordinators' discretion throughout school holiday times.

PLACE

Bowen Street Community Centre
102 Bowen Street, Camberwell 3124
9889 0791

COST

$5 per family payable via EFT preferred or CASH on the day if you are a last minute drop in!

SIGNING IN

Due to COVID CAMBA is required to have you preregister to attend, please refer to the link in the invite. Upon arrival at Bowen Street Community Centre you will also be required to sign in via the QR Code. Please make yourself known as you enter the room. If you are attending as a last minute drop in that's totally fine too so please ensure your name and payment is made and recorded.

FOOD

Please bring some morning tea for your little ones (no nuts or popcorn please). No nuts are allowed at Bowen Street Community Centre. There are children in attendance who are anaphylactic. Please try to ensure they aren't even hidden in the bottom of your nappy bag.
Food should be eaten at the tables only. European wasps can become a problem if food is taken outside – so please try to keep food inside at all times.
As best as possible, please supervise your child while they are eating. Not all food is suitable for all the age groups who attend and can present a choking hazard.
Close and clip! If you see a lunchbox which has been left unattended (there are many reasons why this can happen!), please close it and clip the lid shut so it is inaccessible to roaming food vacuum toddlers! Please wipe up any dropped food, spills and smears on the tables or floor when your child has finished eating.

TOYS

Toys found in the cupboards inside need to remain inside the room, they should not be taken into the sandpit or outside.

The toy cupboard is for adults only. You are welcome to access any of the toys in the cupboard to the left of the back door. The toys you would like should be taken out of their labelled box and the box returned to the cupboard. At the end of the session, toys should go back in to their designated, labelled boxes.

The garage is for adults only too.

Again, you are welcome to access any of the outside toys stored in the garage but it is not a suitable or safe place for children.

PACKING UP

We need to be packed up, vacuumed and out of the space by 11.30. Parents need to begin the process at 11.15 so that we can vacate on time. Sometimes there are other sessions straight after us, so it's really important that everyone contributes to get things clean and sparkly. Many hands make short work!

Toys are to be put back into labelled boxes in the toy cupboard, costumes to be hung on the rack and outdoor toys in the garage. The floors inside need to be **swept and vacuumed** and sand needs to be swept back into the sandpit outside. Sometimes families need to leave early, which is of course totally understandable, but packing up a few things before you leave is always super helpful and greatly appreciated.

Don't forget to bring your reusable coffee cup for the caffeine run!
