### SECRETARY'S REPORT

25th of February 2026 - Libby Ayre

## Introduction

What a start to 2026! NAPSA Congress in Sydney from 11th-17th of January was a huge success with 42 delegates from WAPSA attending the event.

## Membership Numbers

Currently we have 482 active members.

- Considering the new year has just started I am anticipating that there are many people who need to renew their membership for 2026 as 89 memberships expired on 31/12/25.
- I also believe that there may be many people with multiple active memberships due to the introduction of multi-year memberships.
- Post-orientation, we have also collected 131 new WAPSA members.

Key points for 2026:

- Encourage all year groups to check and renew memberships.
- Advertise multi-year memberships to help maintain membership.

## Considerations for Semester 1 2026

- Maintain regular committee meeting attendance from the majority of the committee or provide minimum 24 hours notice.
- Set up more frequent communication between chairs and exec in regards to event planning
- Plan ahead for event advertising including posters and socials
- Frequently communicate with incoming 1st year cohort and encourage WAPSA membership and engagement.
