JAGUAR DRIVERS CLUB OF SOUTH AUSTRALIA - Est. 1973

Member's Guidelines

Being a member of the Jaguar Drivers Club of SA, you become part of a passionate community built on mutual respect, shared enjoyment, and a collective love for the Jaguar marque. This quick guide outlines how we cruise together smoothly, support our club, and protect our shared reputation.

SECTION 1: Keeping the Wheels Turning

To help our club run smoothly and to keep your classic on South Australian roads, we ask all members to stay on top of the essentials:

- Stay Current: Keep your annual membership fees up to date so we can continue hosting fantastic events and supporting our community.
- Logbook Compliance: For those utilising the Club Registration Scheme, please keep your Club Registration Logbooks up to date in strict accordance with the SA Government Code of Practice. Remember to maintain active, financial club membership to keep your registration valid.
- Support the Mission: Align your actions with our core club goals outlined in Article 1.4 of the Club Constitution, avoiding any conflicts of interest.

SECTION 2: Life in the Club Lane

Our club thrives on camaraderie, family-friendly spaces, and positive representation.

- Courtesy First: Treat fellow members with respect and kindness at all times. Bullying, harassment, threatening behaviour, or intimidation—whether physical, verbal, written, or online—has no place in our club.
- Drive Responsibly: Act in a responsible, considerate, and safe manner during all club runs, meetings, and public events to protect the reputation and future of our community. You are always representing the club.
- Digital Etiquette: Use social media responsibly. Avoid publishing posts or comments that could harm the reputation of the club or its individual members.
- Be an Ambassador: Proudly act as a positive ambassador for the club and always keep its best interests at heart.

SECTION 3: Business & Representations

Transparency keeps our club honest, fair, and legally sound.

- Conflict of Interest: Be open and transparent about any personal financial benefit or conflict connected to your membership, and always seek Executive approval beforehand.
- Commercial Services: If you provide professional services to the club, they must be conducted on normal commercial terms unless a separate written agreement is pre-approved by the Club Executive.
- Official Voice: To maintain a clear and unified voice, only speak or make formal representations on behalf of the club when explicitly authorised by the Executive Committee.

SECTION 4: Media, Privacy, & Accountability

How we share our club's story and protect your information.

- Smile for the Camera: By participating, you agree to the free use of your name and photos in club broadcasts, telecasts, our Classic Marque magazine, the press, and our official website/social media channels—strictly as they pertain to official Jaguar Drivers Club of SA events and activities.
- Data Privacy: Your personal details will be securely recorded and used by the club and authorised related parties solely for communication and sending you notifications about upcoming club events.
- Our Shared Promise: We are all responsible for our own actions and agree to be held accountable should a breach of these guidelines occur.
