Payment plans

Please note: PMBA does not have a financial assistance program in 2027

Whilst PMBA recognises that representative sport is a significant financial commitment, we note that there will be NO concessions in 2027 and all families will be required to pay their rep fees in full. PMBA has a range of flexible payment plans available and families will be required to ensure Representative fees are paid in accordance with the schedule above – please email finance@portmacquariebasketball.com.au to opt into a payment plan.

An information session will be held at the Rep Induction camp to demonstrate how families can create personalised, fully flexible payment plans through the Basketball Connect platform.

More information and key 2027 dates can be found here: -

Family Discount

A family discount applies to the first instalment only when purchased together: -

2nd child – 10% discount
3rd child – 15% discount
4th child – 20% discount

Non-Payment: A 'No Pay – No Play' policy applies

- If a payment is not received within 14 days of the due date, the player will be deemed **'un-financial' and may be suspended from representative games.**
- The commitment by a player is for the **ENTIRE** season irrespective of later motivation. A player is liable to pay the full fees for the entire season except in the case of serious injury/illness or substantial residential move. In such cases, the player must request in writing to be permanently removed from the team, and only if they are permanently replaced by a new team member may their fees be partially refunded.

Additional costs to Representative fees:

Players will incur additional costs during the Rep season aside to Rep fees, such as: -

Extra training fees –

Whilst **two** training sessions per week during the school term is covered by the Rep Fees outlined above, if your team decides to train for an extra session(s), or during the school holiday period, the cost of court hire will be incurred by the team and will need to be paid to the court hire provider directly and collected from you by your team Manager.

Travel to/from venue and accommodation –

Families will incur the cost of their own travel to and from away rounds as well as accommodation/meals whilst away. Families are welcome to carpool/share accommodation and team Managers are able to assist in facilitating these arrangements/contact with other families. Families should ensure that they book accommodation which is able to be cancelled/refundable in the event of unforeseen changes to the draw which could occur.

Team managers will typically investigate and reserve accommodation bookings for the team close to the away venue

location, however, there is no obligation for families to book at the same location and families are free to make their own arrangements to suit themselves, if desired.

It is customary for PMBA teams to partake in a “team dinner” together on the Saturday night at an away round, and this can be a very enjoyable team/Club building experience and a great way to get to know other families, coaches and team staff involved in the JRP as well as allowing the players to bond off the court.

Non-parent Coach accommodation and expenses –

An amount for non-parent Coach costs (does not have a child on the team) has been factored into the Representative fees for 2027 and therefore these costs will no longer be charged to teams separately.

Referee Accommodation and expenses –

An amount for incentive bonus, meal allowance, uniforms and equipment, fuel and accomodation (where applicable) for Referees has been factored into the Representative fees for 2027 and therefore these costs will no longer be charged to teams separately.

PMBA Representative Player’s Handbook

The PMBA Representative Player’s handbook will be released once BNSW confirms dates and venues.

We look forward to supporting your family’s Dolphins journey in 2027!
