

About the Byford Bushrangers

The Byford Bushrangers are a community-focused, not-for-profit baseball and tee-ball club based at Briggs Park, Byford. Established in 1986 and rebranded in 2016, the club has grown into one of the region's largest junior baseball and tee-ball programs.

Run entirely by dedicated volunteers, we provide a safe, inclusive, and family-friendly environment where young players build skills, confidence, teamwork, and lasting friendships.

In the 2025/26 season, the Bushrangers fielded 27 teams across Tee-Ball, Machine Pitch, Little League, Intermediate League, and State Championship representative competitions.

With strong support from our volunteers, families, and sponsors, we continue to provide quality facilities, equipment, player development opportunities, and affordable participation for local families.

Partnering with the Byford Bushrangers supports grassroots sport while giving your business exposure to hundreds of local players, parents, and visitors throughout the season. Together, we can help grow the game and strengthen our community.
